Inner City Youth Golfers', Inc.***

Riviera Beach, FL USA), September 6, 2008: Founder Malachi Knowles announced today the appointment of Marshall F. Dugan as “Chairman, ICYG National Advisory Board.” Mr. Dugan has been in business for more than forty years. Mr. Dugan is President of MGD Business Consultants and Pyramid Finance-Leasing Inc.

His companies serve as independent marketing, technical assistance and business development consultants to individuals, companies and countries desirous of doing business in the United States of America and visa versa.

He is presently working with and consulting for several companies to develop a “Green” community, consisting of new housing technology, solar energy, and water treatment facilities. He hopes that their demonstration project will lead to revitalizing a “new green community” concept that will provide homes and other community needs for average income families.

His main task as “Chair” will be to motivate, stimulate and cause individuals who are currently advisory board members to rededicate themselves to our young golfers. “We also hope that Chairman Dugan who has known Malachi since their Morgan State days will increase the number of corporations and individuals who will enjoin the vision of providing “educational, cultural and golf” opportunities to our youth” said Executive Director, Esmeralda H. Knowles.

Marshall, a native of the Baltimore-Washington, DC Metropolitan Area, earned his B.S. Degree in 1966 from Morgan State University, Baltimore, Maryland (USA).
